GETTING ON

We are part of the world
and its problems. We
accept the responsibility
with each breath taken
and each friend made.

Maybe we can't solve all the world's problems. But without us, no solution is possible at all. We can think, and try, and hope.

Events come and go,
People enter and vanish,
Memories linger and fade.
In the end We are left....
Within ourselves.

It's the smile of a friend—
Or just their glance.
It's the new people—
The places remain the
same, but
each of us takes away that
special
impression that creates
cherished memories.

We go through the routine
 (and the rain).
We endure the work
And welcome the relief
 —the brief glory
 —the hurried honor
 —the quiet beauty
And go on from there
again.

We are united by the common bonds of love for the less fortunate, love for one another, and a sense of usefulness.

COLLEGE DEDICATION

COACH ROBERT MORELAND

If you can keep your head. . .
If you can trust yourself. . .
If you can wait. . .
If you can dream. . .
If you can meet with Triumph and Disaster. . .
If neither foes nor loving friends can hurt you. . .
If you can fill the unforgiving minute. . .

Yours is the Earth and everything that's in it,
And—which is more—you'll be a Man, my son!

Rudyard Kipling

After getting to know him, one cannot help but realize that Kipling's poem "If" is emphasizing all of the unforgettable characteristics of Coach Robert E. Moreland, who, since being here at Utica, has always exemplified the finer qualities of manhood. Leadership, scholarship, and sportsmanship are all personified in this one Man, and because of his unadulterated air, the Uticanite is dedicated to Robert E. Moreland, the most victorious basketball coach in the state of Mississippi.

HIGH SCHOOL DEDICATION

MR. E. FISHER

Our rewards have indeed been many and varied. And, because they have, it is with a feeling of deep humility and gratitude that we dedicate this pictorial account of our academic excellence and outstanding extra curricula exhibitions to Mr. Eugene Fisher.

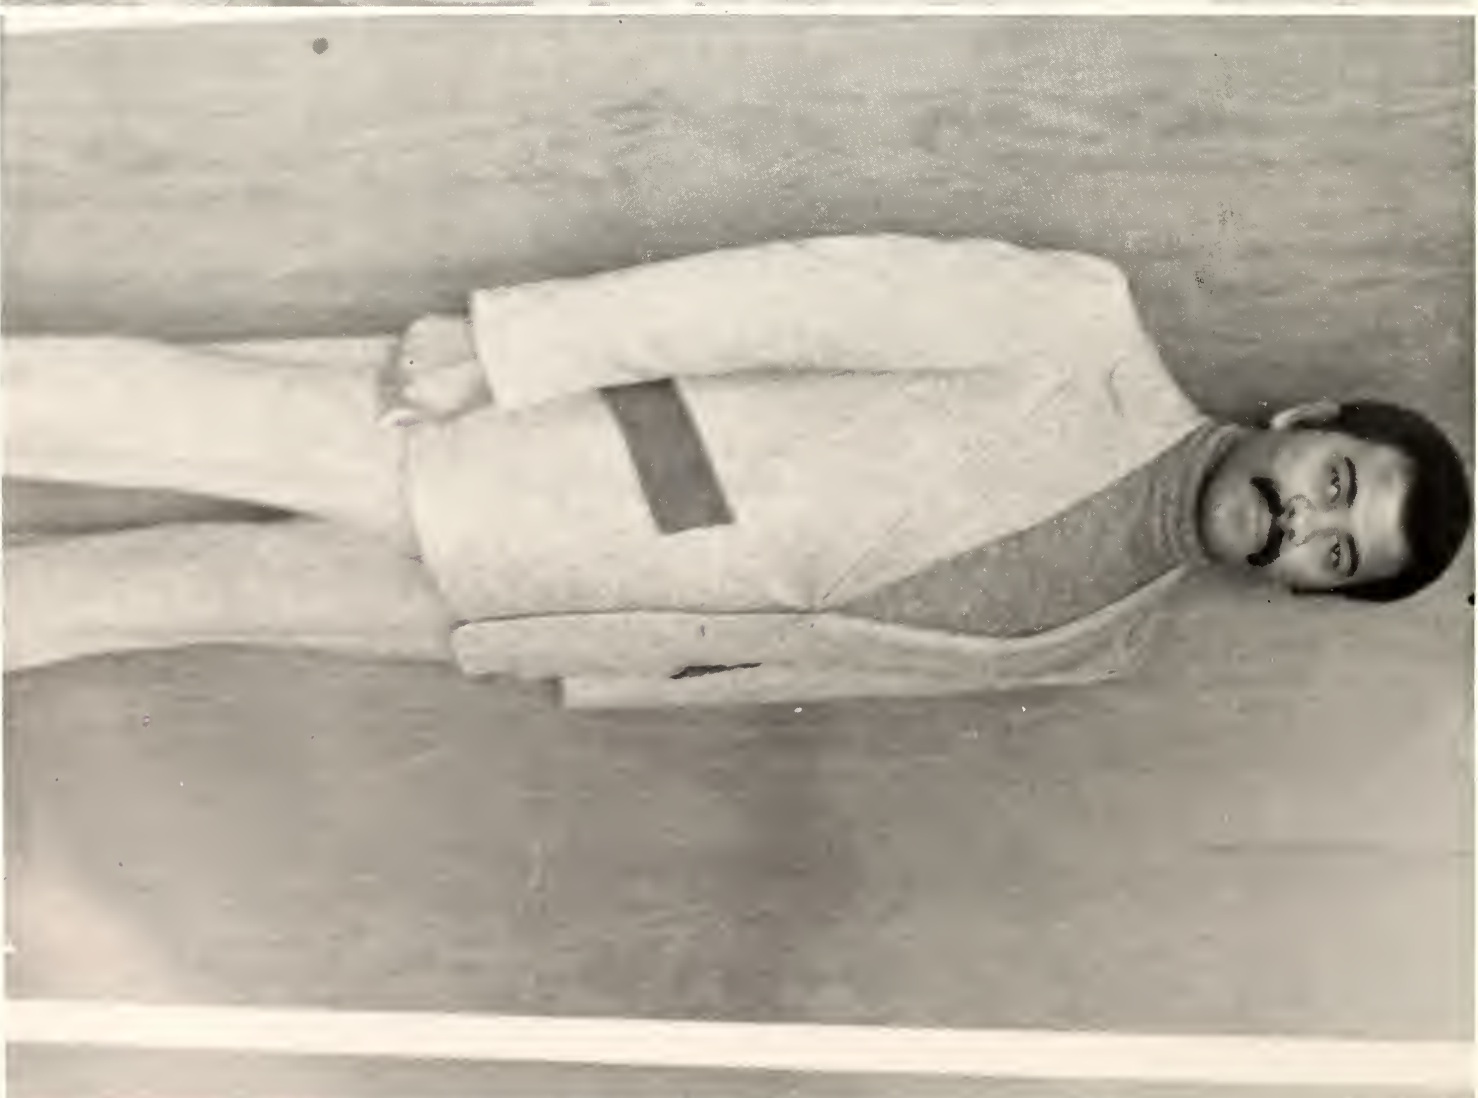

It is through his endeavor as an energetic administrator and an ambitious educationalist that we have been rewarded, and to him we say in the words of Emerson, "The reward of a thing well done is to have done it."

LEFT TO RIGHT: Mr. H. H. Davis, Mr. Clyde R. Donnell, Dr. Jack Fowler, Mr. T. H. Kendall, III, Mr. Sharp W. Banks, Jr., Dr. Robert W. Mayo, Consultant; Mr. R. E. Woolley, President; Mr. W. H. Cochran,

Secretary; Mr. Walter R. Bivins, Mr. Lewis Burghard, Mr. Max Alman, Mr. E. L. Perritt, and Mr. Dale T. Sullivan.

THE PRESIDENT

J. LOUIS STOKES

Dear Faculty, Staff and Students:

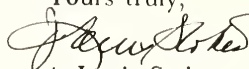

We congratulate the sponsors and the members of the yearbook staff for another very excellent graphic and literary portrayal of the various activities of Utica Junior College and Hinds County Agricultural High School.

If we accept as a truism that societal experiences mold and shape human personalities, then we can assert that the process of providing the activities for this yearbook, i.e., students' intellectual life activities and students' social life activities is a manifestation of a meaningful experience that should have a positive effect on the human self and the society. Thereby providing a very worthwhile value to the individual and the community.

When we view ourselves in the wider definition of "community," we have to reflect on the extent to which our lives are shared with others in the society, and realize that through concerted individual actions functioning as a community do we gain strength and influence to insure that the "freedoms" of America remain intact. Because it is these freedoms that allow us to destroy prejudice, promote brotherhood, insure peace and bring a "ray of hope" to the lives of many people.

We believe this ideal can be achieved through constructive criticisms, creative ideals and concerted efforts between students and faculty, based on a positive reflection of oneself.

The experiences that you have gained at this educational institution should enable you to assist in providing our societal structure with the ingredients necessary for a better world.

Yours truly,

J. Louis Stokes
President

THE ACTING PRESIDENT

ARTHUR H. KINNARD

Dear Faculty, Students, and Friends:

We salute the student members of the annual staff along with the faculty advisors. Truly a lot of hard work has gone into putting this annual together.

The theme for this year, "Uticantes Getting It On In '74," is certainly fitting and proper, for truly we can see in all sections of the book the unfolding activities of Utica Junior College and Hinds County Agricultural High School. The staff has produced a work of art which depicts the 1973-74 school year.

May all those who view this annual have a sense of what was, from this bird's-eye view of, "Getting It On In '74.

Yours very truly,
Arthur H. Kinnard, Jr.

IN MEMORIAM

One short sleep past, we wake eternally,
And death shall be no more; death thou
shalt die.

John Donne

Death is always a shock, but when it strikes at a tender age, it is more than a shock. For it is hard to adjust to the idea that just as an individual begins to live, he is destroyed by his own man-made creations. In January, 1974, Calvin Dent, an eighteen year old freshman, majoring in masonry embarked upon the short sleep of death to wake eternally. He was a native of Jackson, Mississippi, and the son of Mrs. Mary Dent.

The Utica Junior College family extends condolences and sympathy to the Dent family.

IN MEMORIAM TO ERNESTINE SMITH

Our departed friend, Ernestine Smith, was a tower of strength among us. She was always ready to help and willing to give of her skill and experience that we might benefit. And, because she was unselfish in her devotion to Hinds Agricultural High School and scrupulously honest in all her dealings, of her it may indeed be said, "A true and downright honest friend."

Long known to us, she will be long remembered by us.

EDITORS MESSAGE

JANICE CARSON

UTICANITES:

As the weeks, months and years progress, you may want to sit back, relax and reminisce about how the Uticanites "got it on" in 1974. It is with this thought in mind that we have created for your viewing pleasure the 1974 UTICANITE. That you might recapture all the memorable, exciting and fun experiences that occurred throughout the year.

It is my hope that each student will find himself represented somewhere among the pages that made up one year of life at Utica Jr. College.

As editor, I wish to express my thanks and sincere appreciation to those individuals whose help was of special value, to those whose contributions were significant. I have reference to Mr. Bennie Clay (Advisor), Mr. Benjamin Harper (photographer), the Bulldog staff and to those persons whose names are not mentioned but without whose help this book would not have been possible.

Affectionately yours,
Janice Carson
